**Connected Without Compromise.
Built for the Enterprise.**

Meet the Forge X11 - Fast, reliable Wi-Fi 6E with optional 5G connectivity keeps your workforce productive wherever the job takes them.

Whether your team is connected inside the warehouse or miles into the field, the Forge X11 is built to keep business moving. Equipped with ultra-fast Wi-Fi 6E and available 5G connectivity, it delivers secure, high-speed access to the applications, data, and communications your workforce depends on - without being tied to a desk. Combined with MobileDemand's rugged xCase, patented Snap Mount System, and enterprise deployment solutions, the Forge X11 is ready to perform wherever work happens.

PROTECTED TO PERFORM

Built for environments where ordinary tablets don't last, the Forge X11 is protected by MobileDemand's rugged xCase featuring impact-resistant materials, reinforced corner protection, and an ergonomic design that stands up to the demands of daily industrial use. It's protection your workforce can rely on - shift after shift.

READY TO MOUNT. READY TO MOVE.

From forklifts and utility vehicles to workstations and mobile carts, the Forge X11 is designed to go wherever work happens. The included Snap Plate integrates with MobileDemand's patented Snap Mount System, making installation quick while allowing the tablet to move effortlessly between locations as workflows change.

SEE MORE. DO MORE.

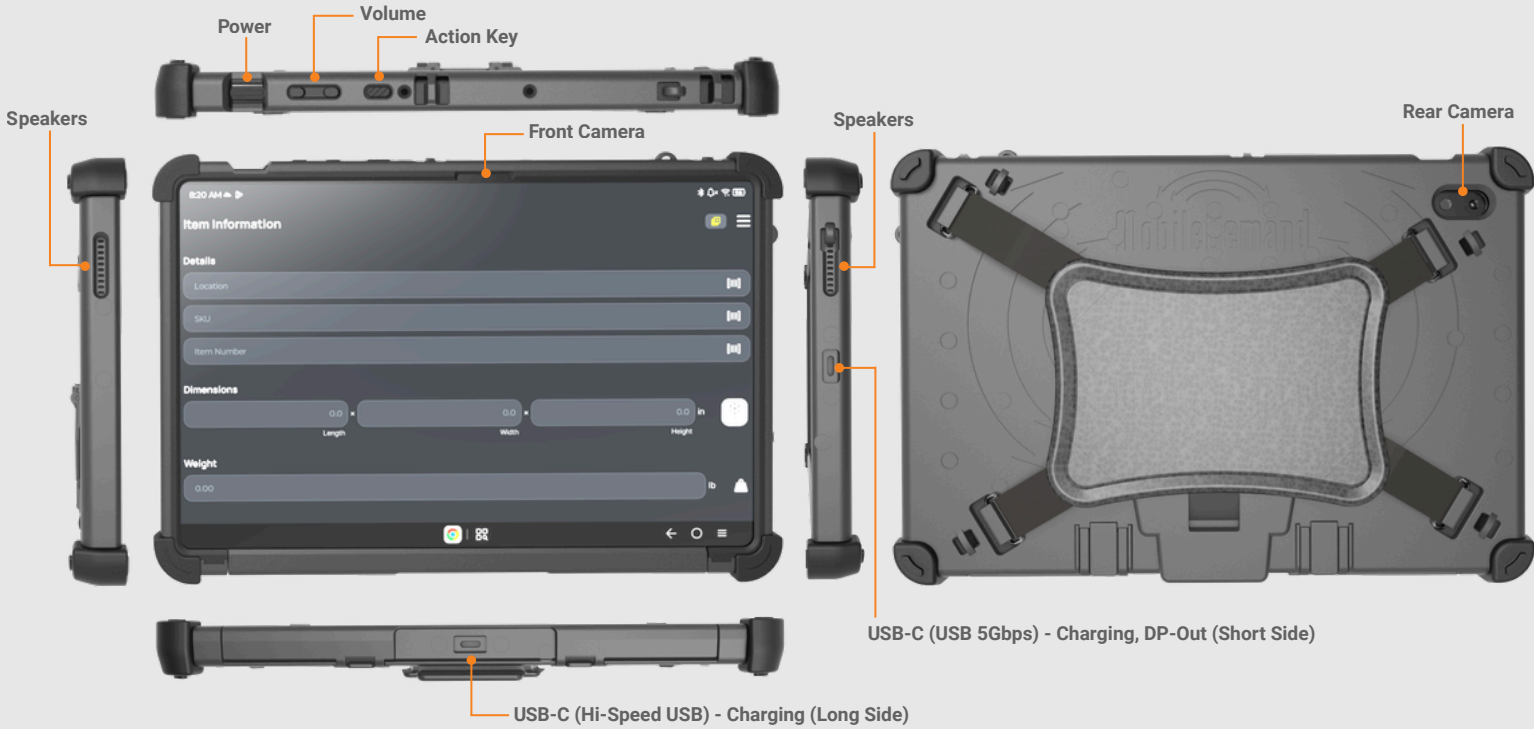

A vibrant 10.95-inch 2.5K display gives operators more room to view applications, drawings, inventory, and workflows without sacrificing mobility. Powered by the Qualcomm® Snapdragon® 7s Gen 3 platform and Android™ 16, the Forge X11 delivers the speed and responsiveness businesses need throughout the workday.

BUILT FOR THE WAY YOU WORK

The Forge X11 is more than a rugged tablet - it's a complete mobile platform. An integrated briefcase handle, rear hand strap, and expandable accessory ecosystem allow each deployment to be tailored for the task at hand, while future-ready support for barcode scanning, payment solutions, and additional peripherals ensures your investment grows with your business.
